**BI WAREHOUSE**

**Increase your sales....**

**your warehouse for Europe in Valencia (Spain)**

**Your products near your customers  
& distributors!!!**

Durviz is a biotechnological Spanish company with two main business lines. The first one is the distribution of products for research and diagnostic, collaborating with companies such as ADS Biotec, Eppendorf, Diagenode, HTG, MissionBio, Biolidics.

Our second business line is giving the service of warehousing, distribution and logistics to companies in USA and Asia who want to establish in Europe.

Join us and save on distribution and shipping costs while improving delivery reliability!!!

**Do you want to establish in Europe?**

**Reduce your shipping costs, delivery time and have your distributors promoting your complete catalogue!!!**

## Warehousing & Logistics

**RFID warehouse:** Implementation of RFID technology for an improved operational efficiency and productivity.

**Delivery time:** Daily shipments

**Insurance:** Your stock can be secure by an insurance for the amount you set.

**Report:** Receive the situation of your inventory, the purchases made by each customer and the total sales per area.

**C.Q.:** Durviz is an ISO 9001 and 93485 certified company with a wide experience in offering the logistics and warehousing to companies based in the USA and ASIA.

**Space:** We have 4 warehouse RFID controlled in our building as well as other warehousing spaces in Valencia's Technological Park.

**Security:** All our installations are controlled by videocameras which allows us to know what is taking place in our warehouse every minute of the day.

**Logistics & Administration:** We take care of all administrative and physical functions associated with storage of goods and materials. These functions include receipt, identification, inspection, verification, putting away, retrieval for issue, etc.

**Storage Temperature:** Our fully equipped warehouse is ready to store products at -240°C, -86°C, -40°C, -20°C, 4°C and room temperature.

**Market areas:** Biotechnology, Hospital Devices, Pharmaceuticals, General Lab...

## Services

We offer a wide variety of BioServices to our customers such as:

**Reagent preparation:** We can prepare your reagents in lots from ul to L.

**Labelling:** Do you need to label your laboratory vials for a good traceability of your lab? Durviz offers you the possibility of printing your vials with a customized 1D/2D code.

## Marketing

Do you need a place for your meetings and distributors trainings?

Our installations are ready for you to organize your European distributors meetings.

Our marketing department is at your disposal to support you with the creation of promotional and technical material, newsletters ....

We can help you promote your products inside Europe and Middle East by qualified distributors.

## Technical Service

We provide technical support to your distributors in Europe.  
Certified and qualified technical service to support you customers in Europe.

## Legal Adviser

### How to stablish your company in Europe

#### Ways to do it:

Creating a Spanish-European Subsidiary company, with its own legal personality (only for Tax purposes).

#### How can we help you?

We provide you full assistance from tax and legal point of view in the setting up of your business.

We offer to draft all the legal documents (with translation into English) to set up your business in Spain.

We can also provide tax and legal advice services for the day-to-day business activities your company will perform.
