# Biowarehouse

Warehouse & Logistic Service

For Biotech  
International Companies

***Do you want to establish in Europe?  
Reduce your shipping costs, delivery time and have your distributors promoting  
your complete catalogue!!!***

## **Warehousing & Logistics**

**RFID warehouse:** Implementation of RFID technology for an improved operational efficiency and productivity.

**Delivery time:** Daily shipments

**Report:** Receive the situation of your inventory, the purchases made by each customer and the total sales per area.

**C.Q.:** Durviz is an ISO 9001 and 93485 certified company with a wide experience in offering the logistics and warehousing to companies based in the USA and ASIA.

**Security:** All our installations are controlled by videocameras which allows us to know what is taking place in our warehouse every minute of the day.

**Logistics & Administration:** We take care of all administrative and physical functions associated with storage of goods and materials. These functions include receipt, identification, inspection, verification, putting away, retrieval for issue, etc.

**Storage Temperature:** Our fully equipped warehouse is ready to store products at -240°C, -86°C, -40°C, -20°C, 4°C and room temperature.

**Market areas:** Biotechnology, Hospital Devices, Pharmaceuticals, General Lab...

## **Technical Service**

We provide technical support to your distributors in Europe.

Certified and qualified technical service to support you customers in Europe.

## **Where are we present in Europe?**

Thanks to the companies we collaborate with, we are present all over Europe and we can introduce your products to potential customers within the EU area.
